I. Add the following rules as a new Order as "Order XXXVII A—Interlocutory Applications."

ORDER XXXVII A.

INTERLOCUTORY APPLICATIONS.

(1) *Interlocutory application.*—"Interlocutory application" means an application to a Court in any suit, appeal or proceeding already instituted in such Court other than a proceeding for execution of a decree or order.

(2) *Form of interlocutory application.*—Every interlocutory application shall be in writing duly stamped and shall be headed with the cause-title of the suit, appeal or other proceeding to which it relates.

(3) Every interlocutory application shall be moved in Court either when the Judge first sits for the day or, if the Judge so orders, at the beginning of the afternoon sitting, and except with the permission of the Judge no such application shall be moved until the expiry of seven days from the day on which notice of the application has been served as required by sub-rule (4) of this rule nor upon a day other than that specified in the notice to be given under that sub-rule.

(4) *Notice.*—Unless the Court otherwise orders, notice of every interlocutory application shall be given to every other party to the suit, appeal or proceeding, who has entered an appearance in it, or to his pleader by delivering to him a copy of the application and of any affidavit supporting it with a written intimation on the copy of the application specifying the day on which the application is to be moved in Court not less than seven days before that day. Every party and every pleader appearing for a party in any suit, appeal or proceeding, in which that party has entered an appearance, shall accept delivery of any copy of an interlocutory application which any other party proposes to make in that suit, appeal or proceeding and of any affidavit in support of such an application and give a dated acknowledgment in writing or by thumb-impression of its delivery.

(5) *Contents thereof.*—Except where otherwise provided by any law or rule for the time being in force, an interlocutory application shall state only the order prayed for and shall not contain any statement of facts or argumentative matter. Every application in contravention of this rule may be returned for amendment or rejected.

(6) *May be rejected if substantive order is not asked for.*—Every application, which does not pray for a substantive order but prays merely that some other application may be dismissed, and every application for an order which ought to be applied for on the day fixed for the hearing of any suit, appeal or matter, may be rejected.

(7) Any party who wishes to oppose an interlocutory application may file a counter affidavit or affidavits to prove facts on which he relies; but written objections or arguments shall not be filed.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 658, *dated Oorgaum, 25th September* 1937.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮಣಿಶಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosives.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE.

Notification No. 658, *dated Oorgaum,* 25*th September* 1937.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol, 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns of small bombs—consisting of a mixture of potassium chlorate (ಪಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide

(ಮೆಣಸಿನ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosives.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

To

All Treasury Officers and

RECEIPTS FOR MONEYS PAID INTO THE TREASURIES ON BEHALF OF THE EDUCATION DEPARTMENT.

In Article 499 of the Mysore Civil Account Code, Volume II, it has been laid down that all sums paid into a Treasury by an officer of the Education Department or by any other person on his behalf should be accompanied by challans in triplicate. It has however been found that the third challan is unnecessary as it is sufficient if the Treasury issues one challan to the party presenting the money and sends the duplicate to the Director of Public Instruction (Financial Branch) along with the copy of the subsidiary register. The use of the third challan in respect of such remittances may therefore be dispensed with.

To

All Treasury Officers and

RECEIPTS FOR MONEYS PAID INTO THE TREASURIES ON BEHALF OF THE EDUCATION DEPARTMENT.

In Article 499 of the Mysore Civil Account Code, Volume II, it has been laid down that all sums paid into a Treasury by an officer of the Education Department or by any other person on his behalf should be accompanied by challans in triplicate. It has however been found that the third challan is unnecessary as it is sufficient if the Treasury issues one challan to the party presenting the money and sends the duplicate to the Director of Public Instruction (Financial Branch) along with the copy of the subsidiary register. The use of the third challan in respect of such remittances may therefore be dispensed with.

Circular No. 362—TAD. B. 2, dated 11th October 1937.

To

All Treasury Officers and
Officers of the Education Department.

RECEIPTS FOR MONEYS PAID INTO THE TREASURIES ON BEHALF OF THE EDUCATION DEPARTMENT.

In Article 499 of the Mysore Civil Account Code, Volume II, it has been laid down that all sums paid into a Treasury by an officer of the Education Department or by any other person on his behalf should be accompanied by challans in triplicate. It has however been found that the third challan is unnecessary as it is sufficient if the Treasury issues one challan to the party presenting the money and sends the duplicate to the Director of Public Instruction (Financial Branch) along with the copy of the subsidiary register. The use of the third challan in respect of such remittances may therefore be dispensed with.

4. The Agent shall place on the premises where he carries on the agency business hereby constituted, not only a signboard but also a price list notifying to the public as conspicuously as possible, the price of the books and publications he is hereby authorised to sell. He shall make proper and sufficient arrangements, for the sale of the said books and publications at all reasonable and convenient hours of business.

The Agent may, however, return to the Government Central Book Depot, Bangalore, such books and publications as remain unsold, at any time before the expiry of three months from the date of issue, provided they are at the time of return, in good saleable condition. While returning the unsold books the Agent shall also send to this office, a list showing names of books returned, quoting the number and date of this office invoice, with which each book was supplied or quoting the number and date of this office letter in which, permission if any, was granted for retention of any book or books. In the absence of this information, books returned as unsold shall not be accepted. **In the case of return of unsold books to the Government Central Book Depot, all transit charges will have to be borne by the Agent.** In the event of such returns being accepted, credit shall be given for the value thereof. The Treasury Receipts for such payments shall be forwarded before the 5th of the month following, to the Superintendent, Government Central Book Depot, Bangalore, with a statement of cash

and sale accounts of the previous month as per form to be obtained from the Depot. The relative Treasury Receipt or Receipts, in respect of sale amounts remitted to Treasury, should accompany the monthly statement of account concerned.

12. The Agent shall keep a true account of all such books and publications as the Principal shall from time to time, deliver or consign to him or that may come into his hands and of all sales and all moneys which shall have been received by him or come to his hands for and on account of the same, and he shall transmit a copy of such account to the Superintendent, Government Central Book Depot, Bangalore, every month. All the books, accounts and other writings relating to the matters aforesaid shall, at all reasonable times, be open to the inspection of the Principal or any person or persons appointed by him in this behalf. The Agent shall submit to the Superintendent, Government Central Book Depot, Bangalore, an acquittance once a year acknowledging the correctness of his accounts failing which, the balance, shown in the circular sent from the Government Book Depot, will be taken as correct.

13. This Agency shall, *ipso facto*, determine (save as far as concerns the rights and remedies of the Principal) upon the commission by the Agent of any grave irregularity or fraud on the Principal in connection herewith, or upon his failing to carry on any stipulation contained in this Agreement, and in the case of breach or non-performance or of neglect to observe the same, the Agent shall forfeit to the Principal, the whole of his security deposit or such portion thereof as may be deemed necessary in his discretion owing to the inconvenience caused to the public.

14. Either of the parties hereto may give to the other, three calendar months' notice in writing of his intention to determine this Agreement and on the expiration of such period this Agreement shall be wholly determined. In case the Principal is satisfied that the closure of the Agency, on the Agent's application in the middle of the year or his inactivity preceding his desire to terminate it, is likely to cause serious inconvenience to the purchasing public, he may levy from the Agent a fine not exceeding Rs. 50.

15. At the termination of the contract, the Agent shall return the unsold books in good saleable condition and without contravening any clause of the Agreement, to the Government Central Book Depot along with the closing accounts and a Treasury Receipt for the sales so far effected. **If the accounts are not finally settled within 30 days from the date of termination of the contract, interest at 6¼ per cent will be charged on the amount due by the Agent to the Government Central Book Depot.**

In witness whereof the parties hereto have hereunto affixed their signatures the day and year first above written.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 365—*TAD. B.* 2, *dated* 16*th November* 1937.

To

All Treasury Officers in the State.

Escort for remittance of treasure—endorsement on the pass-ports of Police Officers by the Treasury Officers.

The Inspector-General of Police has brought to the notice of this office that the Treasury Officers are not at present endorsing the date of arrival and departure of the escort party on the pass-ports presented by them and, as a result thereof, the Department has to rely entirely upon the report of the officer in charge of the party as to the date of their arrival, duration of halt and the date of departure. As a note of these facts on the pass-ports is quite necessary, the Treasury Officers are requested to kindly note the date and time of arrival and of relief of the escort party on the pass-ports presented by them.

E. V. GANAPATI IYER,
Comptroller (in charge).

Circular No. 121—*S. P. F., dated* 27*th November* 1937.

To

All Drawing Officers of Salary and Establishment Bills.

Sir,

I have the honour to observe that applications for admission to the State Provident Fund are now being received in this office without any reference to the subscribers, either having been already members to the State Provident Fund or having closed their accounts under orders of either Government or Comptroller.

In the absence of the above information, fresh numbers are allotted to the applications by this office. In the case of the subscribers who are already allotted account numbers allotment of a fresh one will result in the maintenance of more than one account, creating confusion. In the case of those who have applied for membership, after having closed their accounts once, giving them the *benefits* of the Fund without having obtained sanction therefor from Government, is contrary to rules.

To avoid the above irregularities, the drawing officers are requested to record the following certificate in the S. P. F. application forms before forwarding them to this office for allotting account numbers.

"I certify that the applicant is a new entrant to the State Provident Fund and has not been allotted any number till now."

I have the honour to be,
Sir,
Your most obedient servant,

A. N. RAGHAVACHAR,
Comptroller.

All Treasury Officers in the State.

Escort for remittance of treasure—endorsement on the pass-ports of Police Officers by the Treasury Officers.

The Inspector-General of Police has brought to the notice of this office that the Treasury Officers are not at present endorsing the date of arrival and departure of the escort party on the pass-ports presented by them and, as a result thereof, the Department has to rely entirely upon the report of the officer in charge of the party as to the date of their arrival, duration of halt and the date of departure. As a note of these facts on the pass-ports is quite necessary, the Treasury Officers are requested to kindly note the date and time of arrival and of relief of the escort party on the pass-ports presented by them.

E. V. GANAPATI IYER,
Comptroller (in charge).

Circular No. 121—S. P. F., dated 27th November 1937.

To

All Drawing Officers of Salary and Establishment Bills.

Sir,

I have the honour to observe that applications for admission to the State Provident Fund are now being received in this office without any reference to the subscribers, either having been already members to the State Provident Fund or having closed their accounts under orders of either Government or Comptroller.

In the absence of the above information, fresh numbers are allotted to the applications by this office. In the case of the subscribers who are already allotted account numbers allotment of a fresh one will result in the maintenance of more than one account, creating confusion. In the case of those who have applied for membership, after having closed their accounts once, giving them the *benefits* of the Fund without having obtained sanction therefor from Government, is contrary to rules.

To avoid the above irregularities, the drawing officers are requested to record the following certificate in the S. P. F. application forms before forwarding them to this office for allotting account numbers.

"I certify that the applicant is a new entrant to the State Provident Fund and has not been allotted any number till now."

I have the honour to be,
Sir,
Your most obedient servant,

A. N. RAGHAVACHAR,
Comptroller.

FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 121—*S. P. F., dated* 27*th November* 1937.

To

All Drawing Officers of Salary and Establishment Bills.

Sir,

I have the honour to observe that applications for admission to the State Provident Fund are now being received in this office without any reference to the subscribers, either having been already members to the State Provident Fund or having closed their accounts under orders of either Government or Comptroller.

In the absence of the above information, fresh numbers are allotted to the applications by this office. In the case of the subscribers who are already allotted account numbers allotment of a fresh one will result in the maintenance of more than one account, creating confusion. In the case of those who have applied for membership, after having closed their accounts once, giving them the *benefits* of the Fund without having obtained sanction therefor from Government, is contrary to rules.

To avoid the above irregularities, the drawing officers are requested to record the following certificate in the S. P. F. application forms before forwarding them to this office for allotting account numbers.

"I certify that the applicant is a new entrant to the State Provident Fund and has not been allotted any number till now."

I have the honour to be,
Sir,
Your most obedient servant,
A. N. RAGHAVACHAR,
Comptroller.
